Sound Surveillance™

SMEA-1PA IP PoE Camera / Microphone Interface Box

Description

The SMEA-1 is a microphone Interface box that is designed to be used with ETS ML1 series un-pre-amplified microphones and PoE IP cameras that have an audio (line level) input. Support for both A and B modes of IEEE802.3af.

Includes

- SMEA-1PA Interface
- One 6' 3.5mm patch cord
- Installation instructions.

Options:

- Add –RCA or –FL (Flying Leads) to P/N for alternate output cable.

Microphone cable requirements

ETS ML1 series or equivalent:
Shielded cable 25' max

Caution

It is the responsibility of the installation company and end user to install this audio surveillance equipment in compliance with state and federal privacy laws. If you are unfamiliar with these laws, consult a qualified attorney.

SMEA-1PA Specifications

- RCA or 3.5mm audio output connector
- Line level audio output.
- Transformer isolated audio output.
- Adjustable audio output level.
- 3.5mm microphone input
- RJ45 Ethernet in/out jacks
- Straight through CAT5 connections (no crossover)
- A/B mode switch for IEEE802.3af power format.
- Internal regulator converts PoE 48-57Vdc to 15Vdc @ 10ma for powering one ETS microphone.
- Current consumption 15ma.
- Led power indicator
- PPTC fused.
- Operating Temperature –40 to 70C
- Dimensions: L 3.3 x W 2.0 x H 1.6
- Weight .08kg

Warranty 1 year parts and labor.

Made in USA
